Note1: The company has transferred funds to company's cash credit account for the purpose of meeting its preferential issue objects, instead of spending those amounts directly from the monitoring account. There are numerous other debits and credits in those running current accounts. Accordingly, we were not clearly able to ascertain the utilization of issue proceeds. We have thus relied on documents submitted by the company, including management certification and bank account statement highlighting the specific transactions for the same.

Note2: The company has not shared invoices of its GCP payments. We have relied on Management's certificate, bank statements and auditor's certificate for the same.
