MANAGEMENT DISCUSSION AND ANALYSIS

Economic Overview

Global economic activity is improving according to reports from World Economic Outlook Survey and the growth rate is expected to rise from 3.1 percent in 2016 to 3.5 percent in 2017 and 3.6 percent in 2018.

Amongst developed economies, US demonstrated buoyancy after a weak first half of 2016 and the economy is projected to continue at a reasonable pace. Output remained below potential in a number of other advanced economies notably in the Eurozone. In the latter half of 2016, growth figures were somewhat stronger than previously forecast in economies such as United Kingdom / Spain /Germany on increased domestic demand than expected, after the Brexit vote.

The scenario for developing economies and emerging markets is not uniform. The activity was weaker than expected in some Latin American countries such as Argentina and Brazil as well in Turkey. Activity in Russia was slightly better and growth rate in China was stronger than expected due to anticipated policy stimulus in Infrastructure spending.

India's growth forecast was somewhat trimmed down, primarily due to temporary setback in consumption due to cash shortages and payment disruptions associated with recent demonetization of high value currency notes.

However as per UN Survey report India's economic growth next year is expected to be in the region of 7.7% - 8% fuelled by sound monetary policies and a boost from key domestic reforms. India is expected to keep its lead as the fastest growing major economy in world.

The government's thrust on Make in India campaign is helping India as a viable production hub for global manufacturing giants. India's long-term growth potential continues to be robust with a focus on improving manufacturing and farm output, Infrastructure creation, increasing urbanization, expanding services sector and stronger regulatory framework for banking and financial services.

In so far as Steel Industry is concerned, a huge scope for growth is offered by India's comparatively low per capita steel consumption and the expected rise in consumption with increased investments in Infrastructure / Construction / Automobile/Railways.

Industry Structure and Developments

Metal Products: Colour coated (Pre-painted) steel and aluminium sheets:

In India, colour coated sheets are mainly consumed in construction and infrastructure, Sandwich Panels for Cold Storage & similar applications and Appliance sector. Coatings of PU, polyesters, silicone polyester, acrylic, alkyds and vinyl paints are popular.

In recent years, colour coated coils have gained acceptance in the domestic market and consequently, their consumption has increased during the last several years.

In the construction sector, colour coated sheets have made considerable progress in replacement of traditional asbestos and uncoated galvanised iron roofing sheets, primarily due to health, aesthetics, durability and environmental factors. Colour coated sheets have found extensive use in roofing applications/ Pre-Fabricated Structures as well in Insulation Sandwich Panel.

Colour coated sheets are attracting greater attention today, thus affecting its usage positively. Appliance industry and auto industry have registered substantially high growth rates with multinational joint ventures.

It is widely expected that Colour coated sheets will gradually replace other roofing and siding materials in the construction sector.

Household Products: Domestic Insecticides - Mosquito Repellent Coils & Vaporizers

With mosquitoes believed to be the major cause of various vector borne diseases, India has a large and growing market for mosquito repellants. Many methods are used in households for dealing with the mosquito menace. In spite of the pervasiveness of the mosquito problem, the use of repellants in India is fairly low. Coils were the first mosquito repellants to be introduced in the Indian market.

The mosquito repellents are available as coils, vaporizers, or as liquids in form of aerosol sprays. There is also a cream component of the market for personal use.

The demand for mosquito repellent coils is understood to be growing fast in the rural areas, whereas in urban areas the vaporizers and aerosols are replacing coils.

In an article published recently, many experts and analysts opined that this segment would grow with an estimated market capitalization of ₹ 5000 crores by 2025 of which ₹ 3500 crores would be contributed by mosquito coils alone.

Business

Business of your Company mainly consists of Colour Coated (Pre-painted) Steel & Aluminium Sheets and Coils and Household Products as Domestic Insecticides in the form of Mosquito Repellent Coils and Vaporizers.

Overview of Operations

Results

During the year under review, the revenue of your Company stood at ₹ 25397.67 lacs, as compared to ₹ 22401.42 lacs during the year ended on March 31, 2016. However, the Company earned the profit of ₹ 100.33 lacs during the year as compared to a profit of ₹ 291.70 lacs during the year ended on March 31, 2016.

Segment-wise performance

Metal Products: Colour Coated (Pre-painted) Steel and Aluminium Sheets and Coils Segment

During the Year 2016-17 Coated Metals business has shown improvements.

The first half of the year remained tough due to continued sluggishness in the International markets as well substantial availability of cheap imported material in the domestic market from Chinese Mills. This adversely effected Sales / Margins of domestic suppliers.

Introduction of Minimum Import Price by Government of India did bring in some relief to the Indian Mills. This helped the Industry to sustain sales with better margins as well reduce their dependence on Exports where the realization was quite poor. Our company also could take advantage of this changed scenario.

The Company has been aggressively working on Cost Control Measures and we could very successfully reduce the costs due to stringent controls on process wastage and very effective procurement policy.

The impact of depreciation as per revised norms under Companies Act was much higher last year. This is gradually becoming streamlined and in the year under review the deprecation is much lesser compared to last year.

Mosquito Coil Segment

Mosquito repellent coil business had been steady throughout the year, registering a growth of around 10%.

As strategized last year, we focussed on international markets and we could succeed exporting mosquito coils to Italy and Nepal. Many such opportunities in countries like Ghana, Bangladesh, Myanmar have been tapped and are in final stages of negotiation and we are hopeful of obtaining more export business for mosquito coils.

Risks and Concerns

Your Company is cautious while looking for growth opportunities and also for new markets in its product segments. The Company faces several market risks arising in its normal course of business. These risks include variations in raw material prices, fluctuations in foreign currency exchange rate and changes in interest rates which may have an adverse effect on the Company's financial assets, liabilities and/or future cash flows. The Company continues to mitigate these risks by careful planning of optimum sales mix, product diversification & innovation and penetration in domestic and international markets and active treasury management. Further cost saving measures across all segments of the Company, would help in improving the margins in an otherwise difficult market.

Opportunities and Threats

A varied product portfolio and wide geographical reach and present, both within and outside the country, have helped the Company to try and de-risk its business and meet such risks with suitable safeguards. Improvement in safety performance is of highest priority, for which the Company has regularly been taking steps to avert accidents. Several manufacturing units in various states of the country have enabled the Company to meet customer needs, meeting delivery schedules at prescribed locations. The Company has sales and technical servicing offices at Mumbai, Delhi, Bangalore, Hyderabad, Guwahati and Bhopal. Multi locational presence has also reduced distribution and inventory costs and delivery times.

Future Outlook

Your Company has taken innovative steps such as strict negotiation for Raw Materials sourcing, improved inventory management and is now focusing on increasing Domestic Sales, which we feel will help us improve operational performance of the Company and achieve targeted sales and profitability. The recent introduction of safeguard duty, MIP and anti-dumping duty on certain Steel Products as initiated by the Government of India will also help in improvement of prices and realizations in the domestic market.

As reported last year, your Company is in the process of expanding operations and investing in a new Continuous Steel Galvanizing line at the Kutch, plant in Gujarat, which will result in improved turnover and profitability in the metals business.

The demand for Steel products in the market has also started showing signs of some improvement and is expected to help improve the overall business conditions.

Internal Control Systems

The Company has an effective internal control system which helps it to maintain both internal control and procedures to ensure all transactions are approved, recorded and reported correctly and also ensures disclosure and protection of physical and intellectual property. The Company has appointed Chartered Accountants firm as Internal Auditors who independently evaluate the adequacy of the internal controls on a regular basis. The management duly considers and takes appropriate action to maintain transparency and effectiveness, based on the recommendations made by Statutory Auditors, Internal Auditors and by Management Committee / Audit Committee of the Board of Directors. The company is operating on SAP Platform in order to have proper internal control procedure with required approvals and “maker and checker” concept. This helps in correct recording of transactions, timely rectification and elimination of errors. The Company has appointed consultants/ professionals to conduct Secretarial Audit and Cost Audit and their observations, if any, are reviewed by the Management periodically and remedial actions taken. The Company has also incorporated necessary changes in the ERP system as would be required for migration to Goods & Services Tax being implemented from 1st July, 2017.

Human Resources

Employee relations have generally remained cordial throughout the year and recruitments were made commensurate with the needs of the business. The Company employs about 270 people in all its facilities.

Finance Cost

Finance Cost, during the year under review stood at ₹ 336.33 lacs, as compared to ₹ 419.43 lacs during the year ended on March 31, 2016 due to appropriate working capital planning. Continuous monitoring of cost control measures and expected softening of Interest rates would further help in reducing the financial cost thereby improving the Profitability.

Cautionary Statement

Statements in the Management Discussion and Analysis, on the company’s objectives, outlook and expectation, may constitute “Forward Looking Statements” within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied expectations, projections etc. Several factors make a significant difference to the company’s operations, including climatic conditions, economic scenario affecting demand and supply, Government regulations, taxation, natural calamity and other such factors over which the company does not have any direct control.

INDEPENDENT AUDITOR'S REPORT

To the Members of Manaksia Coated Metals and Industries Limited

Report on the Standalone Financial Statements

Annexure - A to the Independent Auditors' Report

The Annexure referred to in our Independent Auditor's Report to the members of **MANAKSIA COATED METALS & INDUSTRIES LIMITED** (the Company') on the standalone financial statements for the year ended on 31st March 2017. We report that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to information and explanation given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The inventories have been physically verified during the year by the management at regular intervals. In our opinion and according to the information and explanations given to us, no material discrepancies were noticed on physical verification.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Accordingly, paragraph 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order is not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and securities.
- v. The Company has not accepted any deposits from the public.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under section 148 (1) of the Act, and are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- vii. According to the information and explanations given to us in respect of statutory dues and other dues:
 - (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Service Tax, Sales Tax, Value Added Tax, duty of Custom, duty of Excise, Cess and other statutory dues with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2017 for a period of more than six months from the date they became payable.

Name of the Statute	Nature of the Dues	Amount (₹ in lakhs)	Date of Payment	Remarks
Sales Tax	Sales Tax	115.98	-	The liability for the Financial year ending 2010 and 2011 has become payable, in the previous and current financial year respectively, in terms of Sales Tax Deferment Scheme. However in absence of any intimation from the department the same has not been paid.

- (b) According to the information and explanations given to us, there are no material dues of income tax, duty of customs, duty of excise and service tax which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of sales tax have not been deposited by the Company on account of disputes:

Name of the Statute	Nature of Dues	Amount under dispute not yet deposited (₹ in Lakhs)	Financial year to which the amount relates	Forum where the dispute is pending
Sales Tax	Sales Tax	17.74	2011-12	Jt. Comm. Commercial Tax
		29.51	2013-14	Comm. Commercial Tax
Excise & Service tax	Excise & Service tax	1.48	2012-13	Tribunal
		4.10	2013-14	Commissioner (Appeals)
		7.06	2011-12	Joint Commissioner (Central Excise)

- viii. In our opinion and according to information and explanations given by the management, we are of the opinion that the Company has not defaulted in the repayment of dues to financial institution, banks, government and debenture holders.

- ix. To the best of our knowledge and belief and according to the information and explanations given to us, term loans availed by the Company were applied by the Company for the purposes for which the loans were obtained. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year.
- x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi. According to the information and explanations given to us, the Company has paid/provided for managerial remunerations in accordance with the requisite approvals mandated by the provisions of Sec 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure - B to the Independent Auditors' Report on the Standalone financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MANAKSIA COATED METALS AND INDUSTRIES LIMITED** ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: SIGNIFICANT ACCOUNTING POLICIES

(Annexed to and forming part of the financial statements for the year ended 31st March, 2017)

I) Basis of preparation of Financial Statement

The financial statements have been prepared under the Historical cost convention in accordance with the Generally Accepted Accounting Principles and the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of Companies (Accounts) Rules, 2014 and other provisions of the Act, to the extent applicable.

II) Revenue Recognition

Revenue from sale of goods in the course of ordinary activities is recognised when all significant risks and rewards of their ownership are transferred to the customer as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. Sales are net of trade discounts and other rebates. Revenue from services are recognised on rendering of services to customers. Dividend income is recognised when the right to receive payment is established. All other income are recognised on accrual basis.

III) Property, Plant & Equipment

a) Property, Plant & Equipment –

Property, Plant & Equipment are stated at cost of acquisition inclusive of duties (net of CENVAT/VAT), taxes, borrowing costs directly attributable to acquisition, incidental expenses and erection/ commissioning etc., upto the date, the asset is ready for its intended use.

b) Depreciation –

- i. Depreciation on Property, Plant & Equipment is provided on the straight line method over the estimated useful lives of assets and is in line with requirements of Part C of Schedule II of the Companies Act, 2013.
- ii. Depreciation includes amortisation of leasehold land over the period of lease.
- iii. The residual value of assets has been considered as five percent of the original cost of the assets as per Schedule II of the Act.
- iv. In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
- v. Software costs are amortized using the Straight Line Method over estimated useful life of 3 years.

IV) Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external/internal factor. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price and value in use of the assets. The estimated cash flows considered for determining the value in use, are discounted to the present value at weighted average cost of capital.

V) Foreign currency transaction

a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c) Exchange Differences

Exchange differences arising on the settlement/conversion of monetary items are recognized as income or expenses in the year in which they arise.

SIGNIFICANT ACCOUNTING POLICIES

d) Forward Contract

The premium or discount arising at the inception of forward exchange contracts is amortised as expenses or income over the life of the respective contracts. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

VI) Investments

Long term Investments are stated at Cost less provisions recorded to recognise any decline, other than temporary, in the carrying value of each investment. Investments in foreign companies are considered at the exchange rates prevailing on the date of their acquisition. Current investments are carried at lower of cost or fair value of each investment. Short term Investments in liquid fund scheme of mutual funds have been stated at their NAV on year end date or purchase price whichever is less.

VII) Inventories

Inventories are valued as follows:

- a) Raw materials, finished goods, Stock in trade, Work in progress, packing materials, stores and spares are valued at cost or net realizable value whichever is lower. The cost is calculated on the basis of Weighted Average method.
- b) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.

VIII) Research & Development

Research and development expenditure of revenue nature are charged to Statement of Profit and Loss Account, while capital expenditure are added to the cost of property, plant and equipment in the year in which these are incurred.

IX) Employee Benefits

- i) Short term employee benefits are charged off at the undiscounted amount in the year in which the related services are rendered.
- ii) Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gain and losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

X) Earnings Per Share

Basic earnings per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XI) Excise Duty and Custom Duty

Excise duty on finished goods stock lying at factories is accounted for at the point of manufacture of goods and accordingly, is considered for valuation of finished goods as on the Balance Sheet date. Custom duty on imported material in transit / lying in bonded warehouse is accounted for at the time, the same are released from Customs/ Bonded warehouse.

XII) Financial Derivatives and Commodity Hedging Transactions

In respect of derivative contracts, premium paid, gains/losses on settlement and provision for losses for cash flow hedges and restatement on Balance Sheet date are recognised in the Statement of Profit and Loss Account, except in case where they relate to borrowing costs that are attributable to the acquisition or construction of property, plant and equipment in which case, they are adjusted to the carrying cost of such assets.

XIII) Borrowing Costs

Borrowing Costs relating to acquisition / construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

SIGNIFICANT ACCOUNTING POLICIES

XIV) Taxation

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profits for the year is accounted for using the tax rates and laws that have been substantially enacted as on the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the company has carry forward unabsorbed depreciation and tax losses, deferred tax assets are recognised only to the extent there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax asset can be realized.

XV) Segment Reporting

Identification of Segments : The Company has identified its business segments as the primary segments as per the disclosure requirements of Accounting Standards – 17 “Segment Reporting”, notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The Company’s business are organized and managed separately according to the nature of products, with each segment representing strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which the customers of the Company are located.

XVI) Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of Manaksia Coated Metals and Industries Limited

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of **MANAKSIA COATED METALS AND INDUSTRIES LIMITED** ("the holding Company") and its subsidiaries (collectively referred to as "the group" or "the company"), which comprise the consolidated Balance Sheet as at 31st March 2017, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cashflows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective board of directors of the holding company and its subsidiary company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of consolidated financial statements by the director of holding company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and audit evidence obtained by the other auditor in terms of their report referred to in Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March, 2017, and their consolidated profit and their consolidated cashflows for the year ended on that date.

Other Matters

We did not audit the financial statements of subsidiaries whose financial statements reflect total assets of Rs. 1195.88 lakhs as at 31st March 2017, total revenue of Rs 2136.03 lakhs and net cash flows amounting to Rs.88.04 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements in so far as it relates to amounts and disclosure included in respect of this subsidiaries and our report in terms of sub section (3) and (11) of section 143 of the act, in so far as it relates to this subsidiaries, is based solely on the reports of other auditors.

Our opinion on the consolidated financial statements, and our report on other Legal and Regulatory requirement below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of accounts as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the Directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company, none of the Directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the group (Refer Note 27 to the financial statements).
 - ii. The group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
 - iv. The Group has provided requisite disclosures in its consolidated financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 and these are in accordance with the books of accounts maintained by the Group. (Refer Note 33 to the consolidated financial statements).

Annexure - A to the Independent Auditors' Report on the Consolidated financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of **MANAKSIA COATED METALS AND INDUSTRIES LIMITED** ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary Companies, which are Companies incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: SIGNIFICANT ACCOUNTING POLICIES

(Annexed to and forming part of the Consolidated Financial Statements for the year ended 31st March, 2017)

I) Principles of Consolidation

The consolidated Financial Statements relate to Manaksia Coated Metals and Industries Limited and its subsidiary companies Manaksia International FZE and JPA Snacks Private Limited as per Accounting Standard on Consolidated Financial Statements (AS 21) prescribed under section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of Companies (Accounts) Rules. The Consolidated Financial Statements have been prepared on the following basis:

- a) Consolidated financial statements have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating all significant intra-group transactions/ balances and resulting unrealised profits.
- b) The difference between the cost of investment in the Subsidiaries over its proportionate share in the net assets value at the time of acquisition of stake in subsidiaries is recognised in the financial statements as Goodwill or Capital Reserve as the case may be. For this purpose, the company's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital reserve on consolidation is adjusted against Goodwill.
- c) Minority interest in net profit/loss of the Subsidiaries for the year is identified and adjusted against income in order to arrive at the net income attributable to shareholder's of the company. Minority interest in net assets of the subsidiaries is identified and presented separately in Consolidated Financial Statements.
- d) As far as possible the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the company's financial statements.
- e) The financial statements of the entities used for the purpose of consolidation are drawn up to the same reporting date as that of the company.
- f) Foreign Exchange fluctuations on conversion of the accounts of foreign subsidiaries have been taken to "Foreign Currency Translation Reserve" (Arising on Consolidation).

II) Basis of preparation of Financial Statement

The financial statements have been prepared under the Historical cost convention in accordance with the Generally Accepted Accounting Principles and the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of Companies (Accounts) Rules, 2014 and other provisions of the Act, to the extent applicable.

III) Revenue Recognition

Revenue from sale of goods in the course of ordinary activities is recognised when all significant risks and rewards of their ownership are transferred to the customer as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection. Sales are net of trade discounts and other rebates. Revenue from services are recognised on rendering of services to customers. Dividend income is recognised when the right to receive payment is established. All other income are recognised on accrual basis.

IV) Property, Plant and Equipment

- a) Property, plant and equipment are stated at cost of acquisition inclusive of duties (net of CENVAT/VAT), taxes, borrowing costs directly attributable to acquisition, incidental expenses and erection/ commissioning etc., up to the date, the asset is ready for its intended use.
- b) **Depreciation**
 - a) Depreciation on tangible assets is provided on the straight line method over the estimated useful lives of assets and is in line with requirements of Part C of Schedule II of the Companies Act, 2013.
 - b) Depreciation includes amortisation of leasehold land over the period of lease.
 - c) The residual value of assets has been considered as five percent of the original cost of the assets as per Schedule II of the Act.
 - d) In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
 - e) Software costs are amortised using the Straight Line Method over estimated useful life of 3 years.

VI) Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external/internal factor. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price and value in use of the assets. The estimated cash flows considered for determining the value in use, are discounted to the present value at weighted average cost of capital.

VII) Foreign currency transaction**a) Initial Recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c) Exchange Differences

Exchange differences arising on the settlement/conversion of monetary items are recognized as income or expenses in the year in which they arise.

d) Forward Contract

The premium or discount arising at the inception of forward exchange contracts is amortised as expenses or income over the life of the respective contracts. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

VIII) Investments

Long term Investments are stated at Cost less provisions recorded to recognise any decline, other than temporary, in the carrying value of each investment. Investments in foreign companies are considered at the exchange rates prevailing on the date of their acquisition. Current investments are carried at lower of cost or fair value of each investment. Short term Investments in liquid fund scheme of mutual funds have been stated at their NAV on year end date or purchase price whichever is less.

IX) Inventories

Inventories are valued as follows:

- a) Raw materials, finished goods, Stock in trade, Work in progress, packing materials, stores and spares are valued at cost or net realizable value whichever is lower. The cost is calculated on the basis of Weighted Average method.
- b) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.

X) Research & Development

Research and development expenditure of revenue nature are charged to Statement of Profit and Loss Account, while capital expenditure are added to the cost of Property, plant and equipment in the year in which these are incurred.

XI) Employee Benefits

- i) Short term employee benefits are charged off at the undiscounted amount in the year in which the related services are rendered.
- ii) Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gain and losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

XII) Earnings Per Share

Basic earnings per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XIII) Excise Duty and Custom Duty

Excise duty on finished goods stock lying at factories is accounted for at the point of manufacture of goods and accordingly, is considered for valuation of finished goods as on the Balance Sheet date. Custom duty on imported material in transit / lying in bonded warehouse is accounted for at the time, the same are released from Customs/ Bonded warehouse.

XIV) Financial Derivatives and Commodity Hedging Transactions

In respect of derivative contracts, premium paid, gains/losses on settlement and provision for losses for cash flow hedges and restatement on Balance Sheet date are recognised in the Statement of Profit and Loss Account, except in case where they relate to borrowing costs that are attributable to the acquisition or construction of property, plant and equipment, in which case, they are adjusted to the carrying cost of such assets.

XV) Borrowing Costs

Borrowing Costs relating to acquisition / construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

XVI) Taxation

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profits for the year is accounted for using the tax rates and laws that have been substantially enacted as on the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the company has carry forward unabsorbed depreciation and tax losses, deferred tax assets are recognised only to the extent there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax asset can be realized.

XVII) Segment Reporting**Identification of Segments**

The Company has identified its business segments as the primary segments as per the disclosure requirements of Accounting Standards – 17 “Segment Reporting”, notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.
